

## NEW BUSINESS ACCOUNT APPLICATION

### IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING AN ACCOUNT

To help government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means to you, when you open an account we will ask for your name, address, date of birth and other information that will allow us to identify you. We will ask to see your driver's license or other identifying documents. In addition to complying with Federal law, properly identifying each customer serves as a valuable tool to protect you from Identity Theft. Thank you for your assistance.
